

Gentilissimi,

Grazie per il Vostro gradito interesse per gli accessori e i gioielli proposti dal marchio Scoiattolo Verde TM!

La prima collezione, lanciata a Milano, contiene una varietà di accessori multifunzionali per la testa (copricapo) e capelli, spille, orecchini e collane coordinati, pensati con cura e passione per soddisfare le Vostre esigenze durante i cambi di stagione e le situazioni impreviste (riunioni di lavoro, eventi ufficiali o casual), secondo le attuali tendenze della moda. Dal fermacapelli maxi da donna con ruolo anche di fibbia, o funzione di fermaglio, alla cintura e alla borsetta con cinture/ corde staccabili, realizzate in pietre semipreziose, utilizzabili anche come collane, maxi bracciali o catene per occhiali.

Per i signori, lo "Scoiattolo Verde" ha scelto bottoni double – face e gemelli flessibili dal doppio uso (casual ed elegante). Tutti gli accessori hanno uno Stile "chic", con un colore dominante, ma con alcune note casual, che permettono di indossarli in diverse circostanze ("gocce di colore").

L'imballaggio è fornito da tessuti naturali, oppure riciclati e con dettagli riguardanti la composizione di pietre semi/preziose e metalli.

Il prezzo è considerato per un solo pezzo, nonostante le molteplici funzioni e una parte verrà investita in progetti educativi per bambini (laboratori su temi inerenti alla famiglia, libri, giochi).

Lo "Scoiattolo Verde" TM è coinvolto anche in ambito educativo, come le relazioni familiari, l'equilibrio emotivo e i bambini con disabilità, i problemi di salute e la prevenzione delle malattie croniche. Pertanto, la sua scelta di oggi per accessori sostenibili potrebbe fare la differenza domani nella vita di un bambino!

Per le sue migliori opzioni!

The image features a woman on the right side, standing against a black background. She is wearing a long, flowing dress with vertical stripes in shades of teal, light blue, and green. She is holding a small, light-colored mask with green eye cutouts. To her left is a large, abstract sculpture made of many thin, vertical, metallic-looking rods of varying heights, creating a comb-like or forest-like structure. The sculpture is set against a background of large, curved panels with a herringbone or chevron pattern in various colors including green, yellow, orange, and red. The overall composition is modern and artistic.
